

## Financial Aid Form

The Cathedral of the Epiphany has a limited ability to help with Financial Aid for those attending the Religious Education program. The Religious Education fees are necessary in order to maintain the program and provide religious formation to students. Families who are registered as parishioners at the Cathedral of the Epiphany and have already registered their children for the Religious Education program may apply for this Financial Aid. After your application is reviewed, you will receive notification of Financial Aid received and an invoice for the total amount due. Previous payments made through the Cathedral website are considered final and financial assistance will not be applied to previously paid tuition.

All Financial Aid requests for the 2017-2018 Religious Education year must be received and/or postmarked by **September 8, 2017**.
